Phone number	Including country code
Organisation's mission or vision	In your own words – no more than 150 words

SECTION 2 – Application criteria	
Which of the following applies to your organisation?	Green: <input type="checkbox"/> political party <input type="checkbox"/> political organisation <input type="checkbox"/> think tank <input type="checkbox"/> civil society <input type="checkbox"/> none of the above
Which DAC country or countries does your organisation operate in?	
Is your organisation formally registered with local authorities, or in the process of registration?	<input type="checkbox"/> Yes – registered <input type="checkbox"/> Yes – in process <input type="checkbox"/> No
If not registered, please explain why	

Briefly describe how your organisation aligns with Green politics, values and principles	
If your organisation does not, please describe how and why.	

SECTION 3 – Your Political Context

This section helps us understand the environment you operate in. The answers do not affect the application process, and all answers are private and confidential.

Describe the political environment your organisation works within	<i>e.g. What is the state of democracy in your country? Are there restrictions on civil society or political parties? What are the main political challenges you face?</i>
Has your organisation faced legal, political, or administrative challenges from authorities?	<i>If yes, please describe the context briefly.</i>
Are there any risks or sensitivities we should be aware of that can help us support you better.	<i>e.g. visibility concerns, security considerations, restrictions on receiving foreign funding</i>

SECTION 4 – Organisational Profile and Position

We work with Green political organisations at all stages of development, from emerging movements finding their political identity to established parties deepening their influence. We do not expect perfection. We expect honesty about where you are and ambition about where you are going."

Describe your organisational structure and decision making systems?	<i>Feel free to attach relevant documents (statutes, rulebook etc)</i>
How many paid staff or regular volunteers does the organisation have?	
How many members or active supporters does your organisation have?	<i>Approximate figure is fine</i>

<p>How long have you been operating?</p>	<p><input type="checkbox"/> Just starting out (0–2 years) <input type="checkbox"/> Established but growing (2–5 years) <input type="checkbox"/> Established and recognised organisation (5+ years)</p>
<p>Which of the following best describes your organisation's current phase of development</p>	<p><input type="checkbox"/> Phase 1: We are a group of motivated people united by Green values. Our work is largely driven by immediate political events. We are building our identity and finding our political voice. <input type="checkbox"/> Phase 2: We are developing a recognisable structure and a clearer political profile. We are building a more consistent presence and broadening our political agenda. <input type="checkbox"/> Phase 3: We have stronger internal roles, growing membership, and structured political work. We are building the capacity to drive our own agenda rather than respond to others'. <input type="checkbox"/> Phase 4: We have consistent governance and strategic direction. We actively cooperate with others, have long term political success , and are able to shape agendas. Other: somewhere inbetween (elaborate)</p>
<p>Describe your Green political agenda</p>	<p><i>What issues does your organisation focus on? What change are you working towards? (max 300 words)</i></p>
<p>How does your organisation seek to influence political processes?</p>	<p><i>e.g. electoral participation, policy advocacy, coalition building, public campaigns, - give examples and evidence</i></p>
<p>Attach one piece of evidence of your work</p>	<p><i>It could be a media article, policy proposal, or anything with what you have influenced or tried to influence political processes</i></p>
<p>Describe your two-year organisational development plan</p>	<p><i>If you don't have a formal plan, describe your main priorities and goals for the next two years. (max 300 words)</i></p>
<p>Where do you see your organisation in five years in relation to political power – not just political issues</p>	
<p>What is your organisation's current annual budget</p>	<p><i>Please elaborate on sources of funding (ie members, donors etc)</i></p>

SECTION 5 — Green network and affiliation

Affiliation to federations and Global networks is not required to apply — but it helps us understand your position in the wider green ecosystem.

Is your organisation affiliated with Global Greens?

- Yes — Full Member
- Yes — Associate Member
- Yes — Candidate Member
- No

What other Green network(s) do you work with? Nationally, regionally, or globally

Who are your organisational allies?

List the parties, networks, civil society organisations, and movements you have active working relationships with

SECTION 6 — Support Requested

What type of support are you seeking from Green Forum? (select all that apply)

- Financial sub-grant for organisational development
- Capacity development & training
- Access to networks & peer exchange
- Other (specify)

Describe your project or programme idea

What do you want to do, and why? What would success look like? (max 500 words)

What added value for your organisation do you see with partnering with Green Forum?

Do you have other funders or partners for this work?

If yes, please name them and indicate their role

SECTION 7 — Anything Else?

Is there anything else you would like us to know about your organisation or context?

Use this space for anything that doesn't fit elsewhere

How did you hear about Green Forum?

If you have files to upload (such as statutes, political platform, evidences to your work) please do so at wetransfer.org and provide the link below
